2024 WDBF World Championships – Graz, Austria

Mr. Narasimha Reddy. K
Secretary General
Indian Dodgeball Federation

Dear Mr. Reddy,

In September 2023, it was my distinct pleasure to invite you to participate in the 2024 World Dodgeball Federation Championships in the beautiful city of Graz, Austria. On behalf of the WDBF and the host Austrian Dodgeball Association, I am happy to provide you and your delegation with further details, as the host continues to work hard in ensuring that everyone is ready when the time comes to welcome the world!

As you know, the event will take place from Sunday, August 11th to Sunday, August 18th, 2024, and will include the WDBF Annual Summit, the annual general meeting of the organization, where you are expected to attend as a federation member. Our original estimate of 100 national teams has already been surpassed as over 165 teams are now registered.

With respect to the host venues, the 2024 Dodgeball World Championships will be a multi-venue event. Due to the record-number of participating teams the event will take place in 2 different venues within the city of Graz – Raiffeisen Sport Park Graz and Bluebox Arena.

We understand that we will be welcoming the following members of your delegation:
